City of Madison Public Golf Courses

The City of Madison Parks Division owns and operates four premiere public golf courses: Glenway, Monona, Odana Hills and Yahara Hills Golf Courses. Led by a PGA Professional, the courses offer an enjoyable and challenging level of play.

Approved by the Golf Subcommittee using input and recommendations from our customers, the Golf Procedures & Standards Manual has been adopted by the Madison Park Commission. The golf professionals and staff sincerely hope these standards and procedures will enhance your enjoyment of our courses. We welcome your feedback as we continue our commitment to provide affordable and high-quality courses.

General Standards and Regulations of Play

1. The playing season is from course opening to course closing. Closing is dependent on weather conditions as approved by the "Management team", which consists of the Parks Superintendent, Assistant Parks Superintendent, Golf Operations Supervisors and Head Greenskeepers.
2. Every person playing on the golf courses must pay the applicable green fee. Your golf fees are the sole support of the City's golf program. No City of Madison tax money is used to support the golf program.
3. For safety reasons, walk-alongs/ride-alongs are allowed only before Memorial Day and after Labor Day. Other times may be dictated by the Professional on Duty.
4. Dog-walkers, trespassers, bicycle riders, picnickers, or any other unauthorized persons are not permitted to walk, ride or rest on the golf course premises while the golf courses are open for the season.
5. When necessary, to protect the safety and enjoyment of our customers, the professional on duty, starter or club ranger may remove a golfer or golfers from the golf course for violation of course rules or standard golf etiquette. Examples of such violations include obnoxious behavior, intoxication, damaging the course, holding up play, or failure to follow course design on a hole-by-hole basis. The golf rangers have full authority on the course. Players not adhering to these rules and regulations may be asked to leave without a refund of fees.
6. Speed of play is important to all customers and players are expected to complete each 9-holes in no more the 2 hours and 10 minutes. We always welcome new golfers. The Clubhouse staff will be happy to work with you in ensuring you play under that maximum time limit.
7. To keep play moving at a reasonable pace, sharing clubs is not permitted. Each golfer is required to have at least four (4) clubs, a putter, and a golf bag.
8. Golfers are asked to keep the golf course in great condition for those who follow you. This includes replacing all divots, fixing ball marks on greens, and golf carts are to be kept a minimum 30 feet from all greens and tee boxes. It is your golf course; please preserve it for your fellow golfers.
9. The Superintendent of Parks may restrict a golfer(s) from the course for a specified time for flagrant or repeated violations of golf course rules.
10. No person shall play golf on the golf course when the course is closed for the day and/or season.
11. Golfers must play in foursomes when determined by staff due to busy time periods at the course. Fivesomes are allowed only before Memorial Day and after Labor Day. Other times may be dictated by the Professional on Duty.

12. The golf professionals, Golf Operations Supervisors and Superintendent of Parks will be permitted to provide reasonable use of the golf course on a promotional basis, and for customer compensation consistent with industry standards.
13. Food item concessions will be operated at all four courses for the convenience of the public. They will be open from course opening until one hour before course closing, dependent of weather and amount of play, on a daily basis. The clubhouse will be vacated by 10:00 p.m.
14. Failure to comply with the Golf Guidelines herein is grounds for expulsion, suspension or other lawful penalties as necessary.

Dress Code

1. Golfers are required to be properly dressed for golf. Shirts, slacks and shorts are considered appropriate. Bathing suits are not permitted. Golf shoes or approved footwear are required at all times. The City of Madison Public Golf Courses do not allow metal spikes, soccer or football cleats.
2. Improperly dressed golfers will be asked to change before playing. Any misuse or disregard of these rules may be cause for forfeiture of privileges with no refund of fees already paid.

Golf Season – Times of Operation

1. All courses will open for play no earlier than 6:00 a.m. on weekdays and 5:30 a.m. on weekends. Courses will close at dusk. Later opening times may be necessary, depending upon daylight and conditions, as warranted by the greenskeeper or golf professional.
2. In questionable situations, the Management Team will make the determination as to whether the course is playable.
3. The opening and closing of the course each season will be at the discretion of the Management Team.
4. The official golf season will begin on April 1, depending on course and weather conditions, and close at the discretion of the Management Team as weather conditions are deemed unplayable.
5. The Professional on duty may lock up and leave anytime the course is officially closed.

Reservation Policies

1. Reservations can be made up to 14 days in advance, either in person at the Pro Shops, online, or by telephone. Staff will accept reservations rotating between Pro Shop customers and telephone customers on a first-come, first serve basis.
2. Staff can refuse to accept a reservation from anyone due to failure to honor previous reservations.
3. Singles and twosomes may be paired with players to fill out the foursome.
4. All players must be present and paid in full 10 minutes prior to their tee time.
5. One player cannot make a reservation for him/herself alone.

Rain Checks and Refunds

1. The Golf Course Staff is responsible for all rain checks, which are sent via email and prorated based on holes played. For example, a player who pays for 18 holes and plays 13 holes will receive a prorated rain check for a dollar amount equal to the rate for the remaining 5 holes to be played.
2. If a player is unable to start play after purchasing a green fee, the Staff may issue a rain check or refund via the original payment method used.

3. Rain checks are valid for use at any of the four golf courses and do not expire.
4. Each Golfer is responsible for monitoring potential hazardous weather. Golfers are encouraged to seek shelter at the first sign of threatening conditions. Please remember LIGHTNING KILLS!!

Starting Rules

1. All players are to start off on Number 1 tee unless directed differently. If a golfer or golfers wish to start off of a tee other than #1, permission must be secured from the golf shop staff so play will not be interrupted.
2. All players must maintain their playing position without undue delay on the course at all times. Players coming off the 9th hole green, playing 18 holes, have the right-of-way when making the turn onto the 10th hole tee. Undue delay by those players stopping in the clubhouse during “the turn” may result in the forfeiture of their position on the golf course. In cases of undue delay, the golf shop staff have full discretion to continue a player or groups’ play as space allows.
3. Golfers are expected to tee off at their assigned tee time after purchasing a green fee. At 9-hole facilities, players playing 18-holes are encouraged to make a tee time for the second 9 holes. Otherwise, after the first nine, players must stop in the golf shop to be placed on the waiting list for the next available tee time.

Private Motorized Cart Permits

1. Private golf carts are permitted on Municipal courses with permission from the Parks Administration Office.
2. Requests for golf cart privileges are to be submitted to the Parks Division office with an application and certificate of insurance coverage. The applicant must provide liability insurance, co-insuring the City of Madison. A fee is required for the permit, which is then extended to the individual, not the golf cart. The permit is a trail pass for the individual's cart. The permit does not extend to rentable motorized carts at the golf facility and the individual must pay for use of golf course motorized carts in the event that the permit holder did not bring their personal cart.
3. Upon approval, the applicant will be given written permission to operate a private cart and will be issued identifying decals to be placed on the cart.
4. Each course will be advised of all permits issued and will be responsible for checking cart usage and compliance of the applicable rules and regulations.
5. All golf cart use on municipal courses is based on operating rules and regulations, a list of which is available at the Parks Division office and all course pro shops. Nonconformance of rules and regulations, as determined by the golf professional, may result in termination of cart privileges.
6. When staff restricts or bans golf carts on the courses due to turf conditions, personal carts will also be banned from the courses when their use cannot be restricted to roughs only or if, in the opinion of staff, the use of the carts will have a negative effect on the course or other golfers. If available, alternatives, such as the use of a different course within our system, will be offered. Every reasonable effort will be made to accommodate those individuals that require the use of carts.
7. The Madison Golf Courses have a specialized ADA mobility cart available for rent. The cart is presently being kept at Yahara Hills Golf course, but the City will make this cart available at any of our four courses. To reserve the cart, please call the Golf Course in advance. 48-hour notification may be necessary to accommodate transporting the cart to a different facility.
8. Private carts will require a punch pass good for 50 18-hole rounds of golf. The private cart member must present the punch pass every time they use the cart in order for the golf shop staff to keep accurate play records. Once the punch pass runs out of rounds, the private

cart member would be required to purchase a new punch pass or pay the daily cart rate at each time of play. The punch pass does not expire and can be rolled over from year to year. Private cart applications and certificate of insurance must be submitted to the Parks Department on a yearly basis.

Golf Cart Operating Rules

1. Must be 18 years of age to operate a riding cart.
2. MAXIMUM of 2 riders per cart.
3. MAXIMUM of 2 bags per cart.
4. MAXIMUM of 2 carts per foursome.
5. No pull carts are allowed on riding carts, unless pro or designated course official grants permission.

11. Private cart permit extends ONLY to permit holder, not for the cart to be used by a friend, etc.
12. If a non-permit holder uses a private cart, the permit will be terminated.
13. Private cart permit holders are responsible for all rules pertaining to golf cart use. If there is any violation of these rules, the permit holder will receive a warning. If the violation continues, the permit will be terminated. The course must be played in order, starting on #1 and proceeding through #9 or #18. Keep carts in the rough as much as possible.
14. Cart permit holders must check in with the starter before beginning play.

Walk-Along/Ride Along Policies

1. The walk-along/ride-along is a non-paying observer accompanying a paying golfer on the course.
2. Walk-alongs/ride-alongs are allowed at any time before Memorial Day or after Labor Day. All other times will require permission of the professional on duty, shop staff on duty or Golf Operations Supervisors.
3. The observer must follow the play policy at the course. This will pertain to course rules, golf etiquette and general safety.
4. The club pro, club manager, starter, or ranger may remove an observer from the course for flagrant violations of golf course rules.
5. The club pro, or person responsible to the pro, may restrict observers. Examples of refusal for an observer would be intoxication, age factor, type of play, and time of play.
6. The golf pro, or a member of their staff, must grant permission for an observer to play golf. The walk-along/ride-along will pay full rate if caught playing or given permission by any staff member to play.
7. An observer, riding in a golf cart, must remain in the cart except to attend a pin, rake a trap or look for a lost ball within the playing group.
8. For safety reasons, children 5 years of age or younger will not be permitted on the golf course.

Golf Leagues

2. League play reserved tee times on weekday schedules will have a minimum of 12, and no maximum at Golf Operations Supervisors discretion. League play is not allowed on weekends.

4. Foursomes are required during league play.
5. Advance schedule and pairings will be required from all leagues before play is authorized.
6. Please be prompt and on time. Failure to do so may result in the loss of tee times.
7. Starters reserve the right to insert regular public players in league time.
8. Clubhouse managers, Golf Course starters, or the PGA pro, will be starters for all leagues. The golf professional or designee is the only one authorized to cancel league play, unless in an inclement weather situation.
9. League play will not begin earlier than May 1st. All leagues shall be a minimum of 12 weeks in length. The golf professional may grant league extensions. Golf professionals at each course will be responsible for reassignment of yearly league play.
10. League agreement policies and procedures comprise, though are not limited to, those stated below.
 - a) League agreements run for the term of one calendar year (January 1st through December 31st).
 - b) City of Madison Golf Courses will guarantee the number of tee times needed for each week of league play.
 - c) Adjustment in number of needed tee times will need to be approved by the Assistant Golf Professional, at least one week in advance, at the course of play.

 - e) Payment options include: by each individual league member each week, group payment each week, group payment by half season, group payment by season, or invoiced.
 - f) Rain outs will be determined on the day of league play, no less than 30 minutes before scheduled league play, by the League Chair and/or the Golf Professional on duty.
 - g) On a day league play is rained out, as determined by the League Chair or Golf Professional, the league will still be responsible for payment that week. However, the league will have the option to be reimbursed with an additional week added at the end of their scheduled season, at no cost, or individual rain checks will be given to the League Chair for disbursement.
 - h) Rain checks can be used at any City of Madison Golf Course and will be accepted at any time during the same season, with the exception of league or tournament greens fees.
 - i) Any individual who has paid for the use of a cart during league play will be reimbursed in the form of an individual rain check. The individual is responsible for obtaining the rain check from the golf shop staff unless carts are pre-paid.

- l) No coolers or carry-on food or beverages are allowed on the golf course. All food and beverages must be purchased onsite, from in the clubhouse or the beverage cart.
